## Our Vision

## Tots 2 Teens Brochure

Please see attached T2T brochure for all the information and events taking place during the Summer holidays.

Tots2Teens offers a wide range of activities to keep young people entertained during the school holidays. To be eligible to attend sessions, children must live or go to school in the Broadland District Council area.

If your child is eligible for means-tested free school meals, they will be able to attend up to 16 of their sessions during the Summer holidays for free. **Please book online, entering promotional code BNHFSUMMER**

## VR Underwater morning

All the children really enjoyed their virtual reality morning which was held on Tuesday 4<sup>th</sup> June. The theme was underwater.

## Transition Morning

We have had our transition morning for all classes this week. Everyone had a great time getting to know their new class mates and adults.

Our Year 6 children have been at Aylsham High School for 3 days getting to know teachers and the school buildings prior to their start in September. We hope they have had a wonderful time and can't wait to hear all about it on Monday.

## Sun hats and sun cream

Just a reminder that all children need their hats and sun cream in school every day. Although the weather remains changeable, we do take these precautions very seriously. Children are not allowed outside if they do not have them.

## Family Learning Day

We hope you all enjoyed our Family Learning day which took place on Thursday 6<sup>th</sup> June. The sea creations that were made from your very generous donations of recycled products were amazing, a great job done by all!! All work completed that day was based around our 'Book Week' where we had been looking at the book 'Actual Size', there is a lovely display outside the library with our work from that week- come and have a look when you get a chance

## Sports Day

Thank you to everyone who attended our Sports Day on Tuesday 18<sup>th</sup> June, it was great to see so many of you come to support and cheer on the children. Photos have been uploaded to the Schools website. We will hear the final house point score in our final assembly!!

## School Attendance April 2024

Our school target is 96%

Month	Attendance %
September	97.76%
October	97.24%
November	95.61%
