

### What we have been doing?

This month has been a month full of many emotions, we had fun with our Urban Clay experience for our leavers and have had an awesome time with our shapes and patterns theme. We have also had a difficult time saying goodbye to our school leavers and to Charlotte who will be leaving us at the end of this term, however we welcome Katy who will be joining us in September! I know that many of you have already met Katy and that you will join me in wishing Charlotte well at University- thank you for all you have done this term.

### KS2 Play- Treasure Island

Some of our older children joined the Reception children over at school. They were given the opportunity to watch the KS2 play and we thought it was awesome! We congratulate those who participated in the play and think your singing was amazing. We were fabulous audience members and watched carefully and clapped the loudest at the end of the show!

### Shapes and patterns

One of our themes this month was shape and patterns. We had many things in the classroom for the children to participate in. For our pattern work, we focused on simple ABABAB patterns with colours and different shapes. We also had a shape sorting tray with different shapes inside that the children had to sort into the correct shape outline. We made it challenging for the older children by using 3D shapes. 2D shapes are the shapes children can usually identify, however 3D shapes can be a bit more difficult.

July 2024

### Urban Clay

We had a great time with Urban Clay from Aylsham this week and we thank those who joined us. All of the work done by the children looked fabulous and they should all be very proud of themselves. What a lovely memento of their time with us.

### Our goodbyes!

We thank you all for coming to our small ceremony on Friday where we celebrated our school leavers and their achievements. It is a sad thing to say goodbye but as Winnie the Pooh once said- "How lucky I am to have something that makes saying goodbye so hard". We wish you all the best in your new school and we will miss you lots and lots.

### Key Dates

#### September 2024

Wed 4<sup>th</sup> -Pre-school re-opens after the summer break

Our Key Dates will be sent out early in September for the year ahead.
