

English:

We will continue to develop our love of reading and books through daily story times, class discussions, roleplay and our regular trips to the library.

We will also start Drawing Club which is a great way to learn new vocabulary, encourage imagination and practice our new skills!

Maths:

In Hedgehog class there are always lots of opportunities for the children to practise and demonstrate their fantastic number knowledge! This term we will have focused group sessions for children to further embed and expand their understanding.

Understanding The World:

We are learning about 'People Who Help Us' so we have lots of exciting visitors coming in to tell all about who they are, what they do and how they help the community!

We will also be engaging in lots of conversations about our families! This will be a lovely opportunity for children to explore and understand that not all families look the same.

Communication & Language:

We really focus on modelling and developing our spoken language in Hedgehog class. Whether in play, during story time or 1:1 we will continue to support good listening skills, respects and meaningful conversations.

We also hope to begin to use our exciting new vocabulary more frequently into our typical day.

Hedgehog Class

Personal, Social and Emotional Development:

This term we will continue to build genuine, empathetic and trusting relationships within Hedgehog class. Circle time will continue twice a week to share our emotions, ideas and adventures! Please continue to share your child's wonderful achievements on tapestry as circle time is the perfect time to share.

As always, adults will continue to guide, model and support children in their confidence to communicate effectively with their friends.

Key Information:

* Please remember to label all of your child's belongings (anything that can be swapped or goes missing in a blink of an eye!)

* PE is on Wednesdays – please ensure children have their kit in school.

* Please ensure your child has weather appropriate clothing. We are outside a lot!

* Please ensure your child has a water bottle.

Expressive Art and Design:

We will be creating lots of wonderful art as we explore Diwali, firework night and Christmas. Children will have access to a variety of resources such as clay, pastels, inks and glitter to help inspire them to create something wonderful! We shall also be learning and practising for our school nativity! It is going to be a very exciting term!

Fine and Gross Motor Skills:

Within our weekly P.E sessions we will be exploring dance. The children will have the opportunity to explore movements, balancing and how to stay safe.

We will also continue to provide varied activities both inside and out to challenge the children and to develop their skills!
